On behalf of dealers, eAutoLead takes full control and submits invoice claims against a dealer's co-op funds. If they meet the certain criteria set by the OEMs, a dealer's actual cost for Tier 2, Regional, and Tier 3 marketing can be significantly offset.

## Compliance

OUR COMPLIANCE TEAM TAKES RESPONSIBILITY FOR INSURING THAT ALL OF OUR CLIENTS' ADVERTISING MEETS THEIR MANUFACTURERS' STANDARDS AND GUIDELINES.

We also ensure that every ad and offer follows the advertising guidelines of the state the dealers operates in.
